## SUMMARY

Professional **Front-End Developer with 4+ years of hands-on experience** in building scalable web applications using **Vue.js** and **Nuxt**. With a keen eye for design and a strong foundation in modern web technologies, I am eager to contribute my skills to your dynamic team. I bring a proven commitment to creating seamless user experiences and a disciplined, problem-solving mindset. Dedicated to collaborative success and aligned with delivering high-quality, impactful software solutions. Successfully Managed to survive 2+ years of toddler chaos; your deadlines don't scare me.
